Stone Lake Soars At Track Meet!

by Mrs. Alessi

Last Saturday, several EGUSD elementary schools participated in the 2022 Robert Trigg Invitational Track & Field Meet at COHS. Stone Lake had 63 students from 4th, 5th, and 6th grades compete!

The events included: 100m, 200m, 400m, and 800m dashes; 4x100m relay; long jump; discus; shot put; and high jump.

Our students did extremely well! "They brought home:

- 17 - 1st place finishes
- 23 - 2nd place finishes
- 3 - 3rd place finishes
- 3 - 4th place finishes
- 5 - 5th place finishes
- 4 - 6th place finishes
- 4 - 7th place finishes
- 2 - 8th place finishes

At the end of the meet, Stone Lake was tied with Zehnder Ranch for the most 1st place awards in the district!"

~ Mrs. Hermann

Students had four weeks to prepare for Saturday's meet. They were coached and trained by our P.E. teacher Mrs. Hermann, Mrs. Kanemoto, Mr. & Mrs. Smoldon, and Mrs. Castro.

Saturday's meet was the first time these 4th-6th graders have competed at this event, and they made us all proud! Awesome!

2022 Track & Field Meet

Band

By Andy Liu

Stone Lake has a new band teacher! His name is Trevor Hall, or Mr. Hall. Mr. Hall likes to teach band because he gets to meet new people and it's never the same. Also, he is really passionate when it comes to music. Mr. Hall has been teaching for 10 years, and his favorite instrument is percussion.

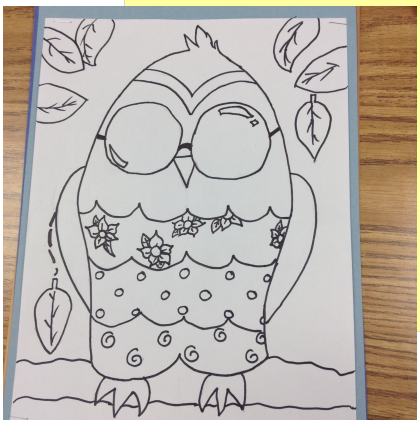
Approximately 25 students are in our band! Wow! There are a lot of different instruments as well. These include the trumpet, trombone, clarinet, flute, saxophone, and percussion. They usually practice in the library on Tuesdays and Thursdays.

Mr. Hall

Art Time!

By Caitlin Truong

Mr. Beard has a special announcement to all art enthusiasts! The new art program, Young Rembrandts, will be a part of Stone Lake for the rest of the year.



Here's my interview with the Young Rembrandts' teacher, Ms. Karen!

How did you become involved in this program?
My two daughters took Young Rembrandts when they were in elementary school. Young Rembrandts were hiring art teachers, so I applied.

What type of lessons do you teach?
I teach how to draw animals, famous painters, and cartoons.

How do you decide what to teach?
Everything is already pre-scheduled.

How long is a class?
Each class is supposed to be one hour.

What steps do you take to prepare for a class?
I pre-draw each drawing and get all the supplies together.

What is the most important part of having this type of program in elementary schools?
The most important part is exposing students to art and letting them be creative.

To the left are some photos of the Young Rembrandts program. Cool drawings!

THE GRAND CRIME OF ALL TIME

By Arnab Mondal

Recently, 6th Grade had a field trip to Sheldon High to watch a play. If you didn't get to go or aren't in 6th grade, I can assure you, you really missed out!

Sheldon High did an amazing job with this play, and I think all the teachers and students can agree.

Most of the money made from the ticket sales is put straight back into the theater and the rest going to PTO. The tickets aren't all that much, and it is supporting a good and local cause.

Here are my highlights of the play:

- The play was very atmospheric. It felt almost like you were in the characters mind.
- It was very interactive. They asked the audience for answers, and they would bring you up and let you speak.
- It was very easy to follow. Most importantly, it was really fun to watch!

This is the Stage for the Performance. The characters are in different costumes.

Fun Facts You Did Not Know About Mrs.Alessi

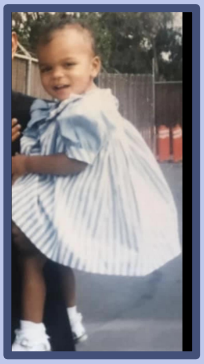
By Mobashir Khaja

Mrs. Alessi is a nice, good, and positive teacher. Here are some things you might not know about her.

- Mrs. Alessi's first job was in a Hello Kitty store when she was 16.
- She came to Stone Lake in 2000 when Mrs.Chun was the principal.
- Mrs. Alessi's favorite food is Mexican food to be specific tacos.
- Her favorite animals are cats.
- Mrs. Alessi was born in Dearborn, Michigan.
- Her favorite thing about about teaching is seeing kids grow up, learn, and smile.

Flashback Photos

By : Lauren Kubota



- Her favorite color is pink
- Her favorite food is french fries
