6th Grade Promotion!

By: Nicholas Buchanan

6th Grade D Track's promotion is on May 27, 2022. During the ceremony, there are two students who will give speeches. Ann-Elise's speech will be giving inspiration. Madeline's speech will be about thanking people and the past. This is the last week of school for 6th grade D track.

The 6th graders on A, B, & C Tracks will be promoting on June, 24, 2022.

This issue honors our promoting 6th graders. We will remember you always! ❤️

Thank you to my 6th grade staff writers for a full year of interesting news!

~Mrs. Alessi

In This Issue:

Pinkerton Middle School	2
Toby Johnson Middle School . . .	3
6th Grade Survey	4-5
Parent Picnic	6
P.E. Board	7
Assist	8
A Track Open House	9
D Track Open House	10

ELIZABETH PINKERTON MIDDLE SCHOOL

As it is getting closer to the end of the year, it means 6th graders are promoting and moving on to 7th. One of the schools 6th graders may be attending next school year, is Elizabeth Pinkerton Middle School. It is located here in Elk Grove and the high school it leads into is Cosumnes Oaks High School. Cosumnes Oaks High School and Elizabeth Pinkerton are located right behind each other. Address for Elizabeth Pinkerton : **8365 Whitelock Pkwy, Elk Grove, CA 95757**

Elizabeth Pinkerton's school colors are orange and navy blue. Their school mascot is a wolf. If you enjoy playing sports, they have teams you can try out for such as volleyball, wrestling, basketball, cross country, and track and field.

To get a early start before your first day of 7th grade, Pinkerton has Jump Start. Jump Start is a two days event when you can view and explore the campus and meet the teachers. Jump Start helps you get prepared before the actual first day of school. According to The Elizabeth Pinkerton home page website, their Jump Start dates for this year 2022 is August 7th and 8th for 7th grade. For 8th grade, Jump Start is on August 4th and 5th.

Toby Johnson

By: Ashly Wood

Toby Johnson is the name of a middle school. It is located at 10099 Franklin High Rd, Elk Grove, CA 95757. Toby Johnson feeds into Franklin high school. Toby Johnson's colors are purple and black, and their mascot is a jaguar. At Toby Johnson students are put into a house. The houses are the Hornets, Tigers, or Aggies. You go to the same classes as other people in your grade and house.

Toby Johnson has many sports, clubs, and electives. There are all kinds of sports for girls and boys including: basketball, volleyball, and track. If you don't like sports or don't want to try out there are so many clubs that I bet you'd like. You can also ask a teacher for permission to make a new club if you want. Lastly, they have a lot of electives to choose from like theater, art, language, and technology. In 7th grade, you might not get into you first elective that you want. However, in 8th grade you'll get into the one you want.

It was so much fun to learn about Toby Johnson. If you're going to Toby Johnson, I hope you're really excited.

6th Grade Survey!

By: Riley Moua and Madeline Stock

We wanted to learn more about Stone Lake's 6th graders. Here are the results of our survey!

What grade did you start at Stone Lake?

53% kinder

0.4% 1st

0.6% 2nd

11% 3rd

14% 4th

0.3% 5th

0.7% 6th

What tracks have you been on?

34% B track

32% A track

30% D track

What middle school are you going to?

67 people said Toby,

6 people said Pinkerton

Oasys: "Pizza and hiking."

Mary: "Pizza and soccer."

6th Grade

Santi (D track)

Santi: "Cheeseburger and soccer."

Parent: "Enchilada and watching Santi play soccer."

P.E Board

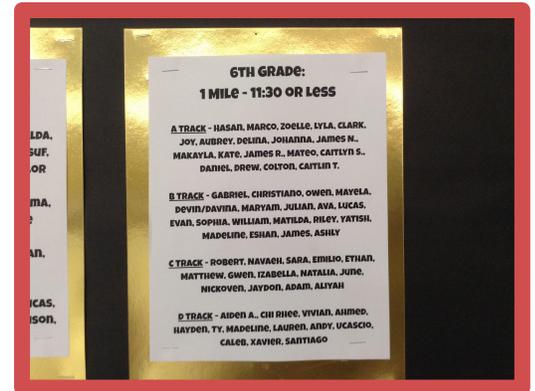

I'm sure we've all seen the P.E board in the M.P room, but have you ever wondered about how it came to be? Well, if the answer is "YES!", I'm sure you will enjoy this article!

The purpose of the P.E. board is to acknowledge students' hard work and their strides to get there. Mrs. Herman wanted to acknowledge hard work, and motivate growth. She wants everyone to know they are capable.

The events on the board are all state requirements for 5th, 7th, and 9th grade. They are easy to practice, and you can try the events more than once per year.

It depends on the person for what's easy and what's difficult. For example, some people enjoy running faster, while others enjoy running longer. You should always be determined and try to improve.

If you're not on the board and want to be on it, practice running the track at school or in your free time and compete in sports.

Assist

By Andy Liu

Recently, I interviewed a few Assist team members. The point of the Assist team is to mentor and guide te students into being more active and a good role model. They work well with students, provide a positive influence, and really like being active.

The team members I interviewed, Richard and Efine, said that the best part of their jobs are having fun and seeing the joy of the kids. Some things kids need help with at recess is playing together and having good sportsmanship. They help them to have a great time with each other.

Some games that they play with the kids are basketball, football, and sharks and minnows. On rainy days the team members go into every classroom and play games like four corners.

Stone Lake is very thankful to have these wonderful people on campus!
