Read About The Read-A-Thon!

by Delina Dillard

The Read-A-Thon has come to Stone Lake! A few things to know about it is that the Read-A-Thon is a fundraiser for our school. Stone Lake earns 75% of the donations, which is much higher than other fundraisers. Typically, with past fundraisers we've earned 40-50% of donations.

Read·A·Thon

The PTO members at Stone Lake were inspired to hold a Read-A-Thon this year to encourage Stone Lake students to read more and while also fundraising for our school. They thought that since we have done Fun-Runs in the past a Read-A-Thon would be a fun and productive way to try something new.

In This Issue:

- Wild About Learning 2-3
- Kids in the Quad 4
- Stone Lake Staff 5
- Comic 6
- Staff Pumpkin Contest ... 7-9

Jessica Meads, 6th grade teacher at Ehrhardt Elementary and Stone Lake PTO member, said that planning our school's fundraiser for the year starts months ahead of time. She met with representatives from a few different companies before deciding on the Read-A-Thon.

Stone Lake's plan for using the money we've earned is to replace the audio system in the MP room, purchase new playground equipment for recess, contribute to field trips and assemblies, and more.

A DAY IN THIRD GRADE

by Arnab Mondal

The moment I walked in to Mrs. Trujano's classroom, I could tell rich learning was in progress. Mrs. Trujano started the class on their lesson, and everybody paid attention. Nobody was looking at me. These Third graders had their focus down!

I asked a student a few questions, and he told me about what they were doing. He talked about how they were learning about Bald Eagles. Every day they learned a new fact about them and wrote a sentence about that fact on the Chromebook. He said that the hardest part is what sentence to write, as in 'what to write'.

What is most fun for the Third Graders is that they learn something new every day. The student I questioned said that he has lots of fun learning about Bald Eagles.

I asked Mrs. Trujano what she enjoys. She said that she enjoys teaching about landmarks, learning how to use slides, learning new facts, and presenting. Yeah! Each student will present their slides to the class once the project is finished.

Overall, visiting Mrs. Trujano's class was lots of fun! Her students were kind and focused. **GO THIRD GRADE!**

By Mayela Garcia

Have you ever wondered what was going on in 6B (Mrs. Bohlmann's class)? Well, now you have a chance to find out! Did you know 6B does fun art projects? Mrs. Bohlmann and her class are currently doing a Dia De Los Muertos (The Day of the Dead) skull! It involves recycled paper bags, tracing paper, crayons/colored pencils, and it's finished with a water wash to make the ink bleed!

I need to warn you, math is a hard subject! Mrs. Bohlmann believes that it was tough during Distance Learning, so she wants to help her students. Heads up 3rd Graders!

Have you ever thought about what Mrs Bohlman's job was before she started teaching? Guess what, she was a checker for Bellair markets! Fun Fact: She was the bagging champion in 1988.

6B's wonderful teacher enjoys cooking, baking, comedy, and music during her free time! Watch out 5th graders, Mrs. Bohlmann dislikes students who don't show their work and mean people!

If you are a teacher, I bet you would want to know this, turns out Mrs. Bohlman's favorite thing about being a teacher is making connections and having students come back to share details about their lives. Don't worry, 6B is a great place to express yourself and be who you are.

KIDS IN THE QUAD!

What do you like and dislike about the recess zones?

BY: AVA KABIR AND MADELINE STOCK

1ST GRADE

Jasmine B Track

"I don't like not getting to always play in my favorite spot."

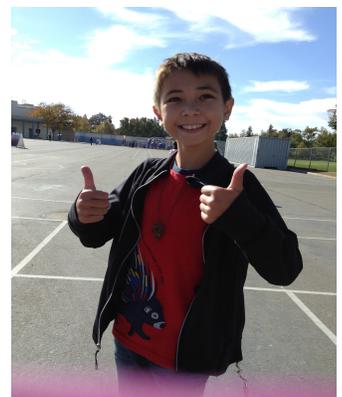

2ND GRADE

Niya C Track

"I like that you can run around. I don't like how if its raining you have nowhere to run."

3RD GRADE

Eli B track

"I don't like that we can only play soccer in the field. I like that when we get the field there is less people."

4TH GRADE

Jenna C Track

"I like that we get to go to different zones. I don't like how we have to stay in one place."

5TH GRADE

Aaron B Track

"I don't like how far we have to walk. I like that there is four square in all the zones."

6TH GRADE

Riley B Track

"I like how we can make our own four squares. I don't like people fighting about the zones."

Stone Lake Staff

Getting To Know Mrs. Bohlmann By: Ashly Wood

Here's a look at our 6th grade teacher Mrs. Bohlmann.

How long have you been teaching?

I've been teaching 22 years.

If you had to pick a job beside teaching, what would it be?

I'd be a traveling food blogger.

What's your favorite food?

Poached lobster in a butter shallot sauce with fresh pasta.

What's your favorite place you've traveled to?

Lake Como Italy.

What's your favorite movie? The Princess Bride because there's romance, comedy, and pirates.

Have you taught any other grades?

I've taught kindergarten, 3rd, and 4th.

Meet Mrs. Goodwin!

by Caitlin Truong

How long have you been teaching?

What are your likes and dislikes?

I've been teaching for 10 years. I love seeing students learn new things, hearing kids laugh, and watching them grow. My only dislike is when students don't follow classroom rules.

What are your hobbies?

My hobbies are baking, exercising, playing with my dog, Toby, and spending time with family.

What job would you have if you weren't a teacher?

I would be a pediatrician.

Who do you live with?

I live with my husband, Mr. Goodwin, my daughter Emma, my son Grant, and my dog Toby.

What is your favorite subject to teach and why?

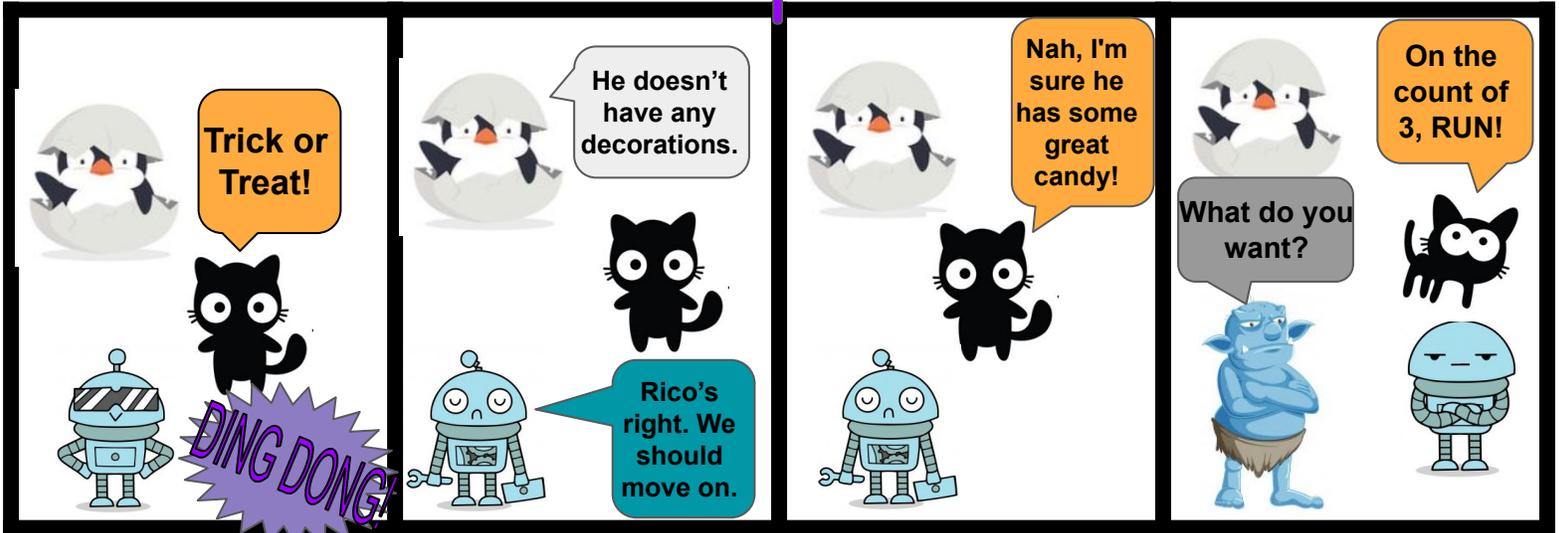

My favorite subject to teach is math because the students are engaged and I love to see how much they learned throughout the year.

What is your favorite event that happens at Stone Lake?

I would say the Ice Cream Social.

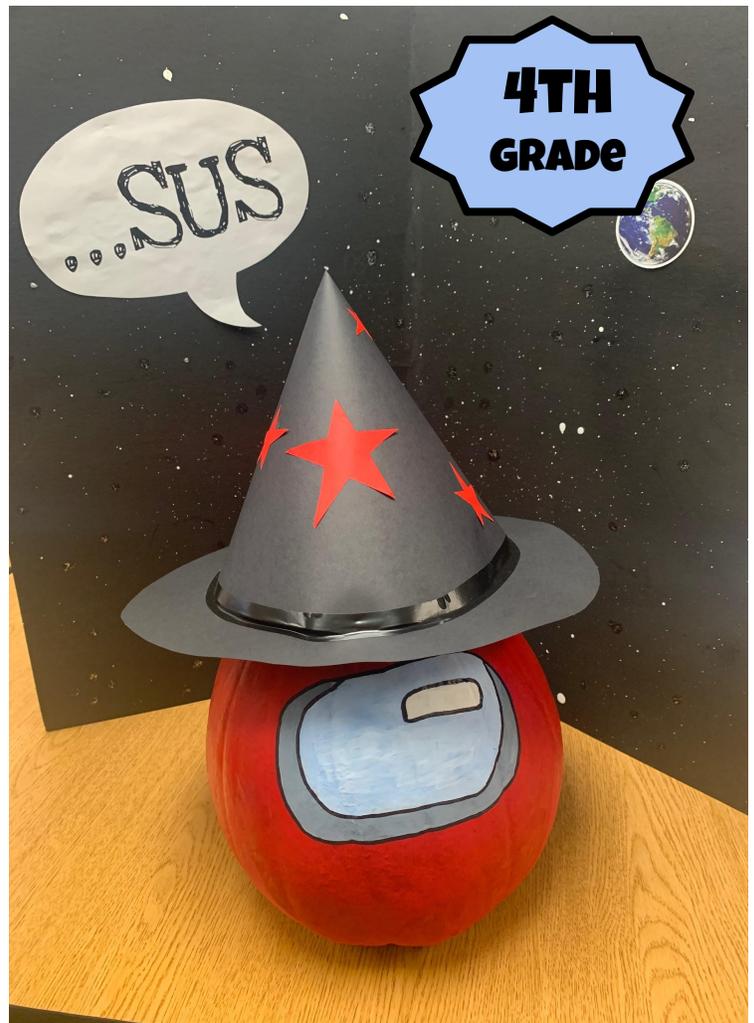

Halloween Squad

Emilio Estrada

Pumpkin Decorating

The staff at Stone Lake Elementary had some fun decorating pumpkins this month. The only rule was NO CARVING! Which is your favorite?
